LIVE THE POSSIBILITIES

## The Program

Self leadership provides practical techniques you will use immediately to harness your freedom, thoughts, emotions and create new behaviours. 'Between stimulus and response there is a space. In that space is our power to choose our response. In our responses lies our growth and our freedom'; Viktor Frankl.

Learn the extraordinary model that is frequently described as 'empowering'. Experience the joy and excitement of unlocking the natural genius in yourself and others, and find the skills, confidence and drive to succeed in life.

## You'll Learn How to

- Lead and manage your emotions positively
- Be increasingly responsible and accountable for your behaviour
- Learn self reflexivity for a healthier quality of life
- Take charge of your internal self-talk and set aside negative thinking
- Experience 14 powerful coaching patterns in this training and the ability to use more than 200 additional coaching patterns. Discover the most basic Coaching Pattern
- Think like an entrepreneur, and blow out excuses for not achieving success, lack of confidence, financial insecurity, fear of failure, not knowing what to do
- Never be intimidated, fearful or anxious no matter what challenges you face
- Achieve extraordinary results by thinking and working systemically. Live your purpose and act intentionally
- Enrich your experience of life with more passion as you discover how to get to the highest levels of our mind and set the frames that will empower you for the kinds of relationships, career, health, etc. that you want
